PEACHY CHIC

PEACHY CHIC

This palette is the epitome of playful elegance, with a citrus inspired combination of yellow, peach, and candy pink! With its delightful citrus colours representing sweetness , it has a sophisticated feel which makes it perfectly suited for an al fresco garden wedding.

FLORAL GREEN

FLORAL GREEN

Embracing the natural rustic with Floral Green – a beautiful forestland shades in between Forest Green and Wood Brown. The palette colours bring out the vibe of having a wedding in Greenland surrounded with leafy greeneries and brownish timbers. Be submerged in this natural grove concoction of timberland and emerald forest , made for all year-round weddings.

ELEGANCE WHITE

A wedding ceremony setup on a grassy area with a white tablecloth and floral arch. The arch is decorated with white and green flowers. In the background, there is a body of water with several boats. The scene is set outdoors with a white backdrop.

ELEGANCE WHITE

Looking for a soft yet totally elegant wedding colour combination? This gold, white and silver wedding theme has just the right balance of glitz and sparkle, paired with some fabulous chic and contemporary decor.
